How to Download the Woolworths, Coles or IGA App

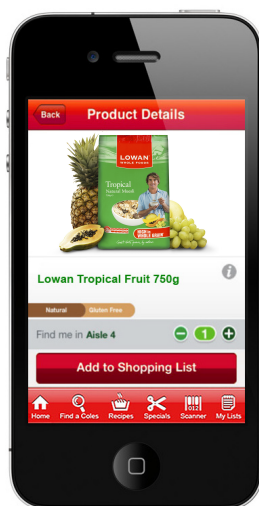

First you will need to download the Woolworths, Coles or IGA app which can be downloaded free from the Apple store or Andriod store.

How to Use The Apps

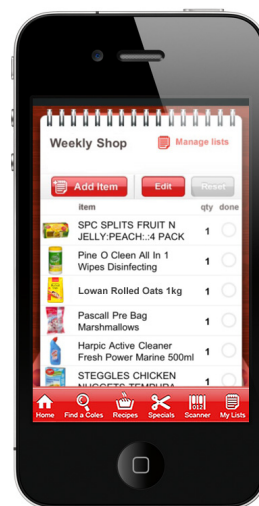

There are 3 simple steps to add this product to your smartphone app shopping list

Step 1:
Scan barcode below

Step 2:
Confirm product details

Step 3:
Add to shopping list

**SCAN THIS WITH YOUR
SMARTPHONE**

Product Available at: **coles** **FOODLAND** **IGA** **FOODWORKS** **IGA** **SPAR**

If the barcode does not scan the product may not be available in that particular supermarket or store. Or this may be due to the screen resolution in which case you can print onto paper and then scan or zoom into the pdf.
